

REED MEHER

May-heir / he/him

About the developer:

A fresh starter in web development, but an experienced team collaborator and project leader in fast-paced work places. I bring a wonderful ability to listen, reflect, systematically work through challenges, pivot when things take a turn, and maintain a calm, supportive attitude for my team. I am steady in adversity and am always seeking to learn, adapt, and grow. I have a high self-standard to always push the boundary of what is possible, but that is matched with a keen sense of timelines and setting realistic, attainable goals to achieve the best possible outcomes.

Work Experience:

Family Services Case Manager, 2017-2022 | [Cook County PHHS](#), Grand Marais, MN

- Targeted case management in complex, fast-changing systems
- Project coordination & working in large-scale, digital data structures
- Served on dynamic teams and worked independently
- Meticulous record keeping responsibilities, and utilized advanced written and verbal skills daily.
- Adhered to data privacy laws, particularly maintaining and managing HIPAA data.
- Developed keen investigative skills and interviewing skills through specialized training and experience.
- Worked with families, law enforcement, courts, medical providers, school staff, tribal agencies daily to manage a large caseload and serve my community.
- Used Microsoft Suites daily. SSIS state database utilized daily. Monthly presentations to the county Multidisciplinary Team.
- Practiced compassion, collaboration, and time-management skills daily.

Marketing Manager, 2015-2017 | [Cook County Whole Foods Co-op](#), Grand Marais, MN

- Used Wordpress, MailChimp and Adobe Creative Suites daily
- Managed a staff of 10-12 employees one to three nights a week.
- Developed company's advertising scope, platforms, and advertising material.
- Built relationships with local businesses and publishers to develop advertising, events, and brand awareness.
- Graphic Design and photography daily: branding, ads, swag, signage, and special projects.
- Spearheaded the development of a new website for the company and worked each step of the way with the design firm, [Swim Creative](#). From mock-up homepage, wireframing, store photography, writing copy, and managing dynamic WordPress content, I helped build and maintain a professional website.

ESL Teacher in South Korea, 2010-2013 | Pohang and Ilsan, South Korea

- Grade School teacher at LCI Kids Club in Pohang, South Korea (2010-2011), and Palisades English Academy in the Seoul area (2011-2013).
- Created lesson plans, developed and implemented original curriculum, and testing.
- Taught grammar, reading, science, music, and writing. I tutored advanced students 1:1 in the grammar, writing, and reading subjects.

Education:

U of MN | Full Stack Web Development Bootcamp, 2022

Current student, graduating in December of 2022. At a 99% average score on my projects.

U of MN, Morris | BFA in Literature & Minor in Studio Art, 2004-2008

3.71 GPA.
